Volunteers**

**The TIGER Foundation is going to launch The P.J. Garner Computer /Learning Lab Program in conjunction with JCPS and Evolve 502. The Lab will operate beginning 19 October 2020 on Monday, Wednesday and Friday from 9 am till 3pm. The program is focusing on Elementary and Middle School Children Parkland area.**

**The program is free to children and will provide assistance to children on school work. The Plan is children will sign up and we will service 10 children per-day (Social Distance Rules). The children will be able to schedule 2hours sessions to Monday, Wednesday and Friday. The plan is to service 120 children per week and 400 per month and 3,600 children per year.**

**The program will have all CDC recommended equipment and supplies to ensure safety of children and volunteers. The program is in need of 10 volunteers per week to work with and mentor children. Volunteers are the anchor for the program and are needed to make it successful.**

**To Volunteer feel free to contact me or Kellye Cunningham. My Number is 270-304-4727 and Kellye can be contacted at 502-876-1095.**

**Thank you in advance for your support.**
